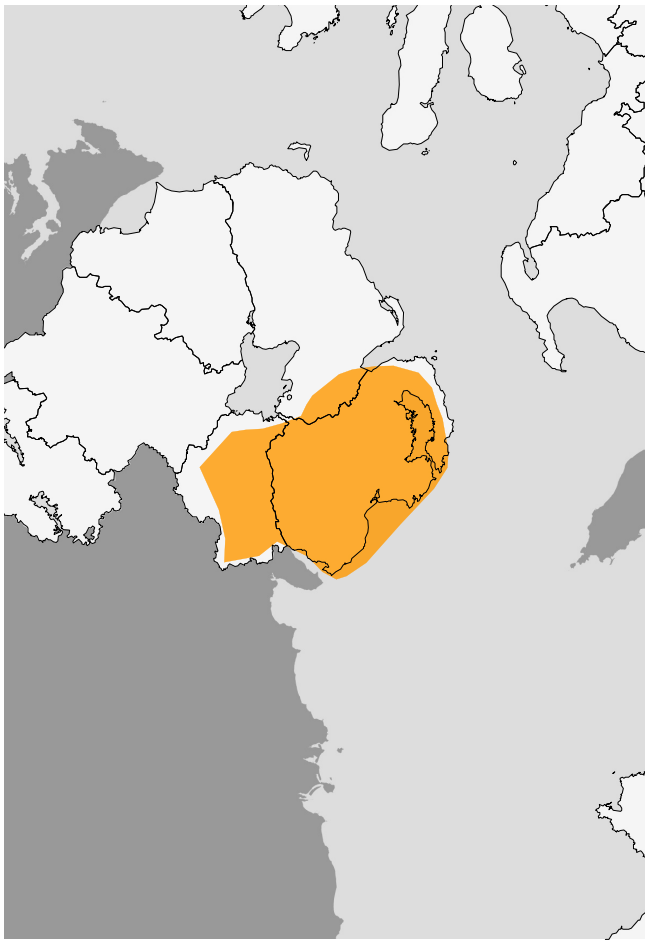
Amber warning
**Rain**

Between
**21:00 Mon 30 Oct 2023** and
**09:00 Tue 31 Oct 2023**



## Persistent heavy rain will lead to further flooding and transport disruption.

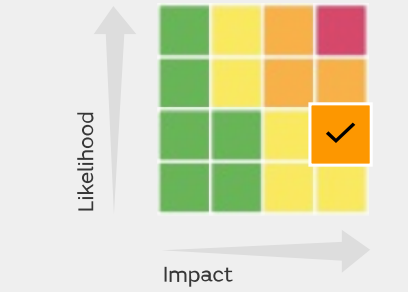
### What to expect

- Fast flowing or deep floodwater is possible, causing a danger to life
- Extensive flooding of homes and businesses is possible
- Damage to buildings and structures or building collapse might happen
- Road may potentially close, along with bus and train service delays and cancellations
- Dangerous driving conditions might occur, because of spray and flooded roads
- Loss of power and other essential services, such as gas, water or mobile phone services, is possible
- Communities could be completely cut off by floodwater, perhaps for several days

### Further details

Further rain will affect Northern Ireland during Monday evening and overnight, becoming heavy and persistent in the east. 25-50 mm of rain falling widely and as much as 75 to 100 mm over hills, this falling on already saturated ground.

The rain will ease from the south through Tuesday morning.



Low likelihood of high impacts
